**Congratulations,  
you've found it!  
Intentionally or not!**

This is a playing piece for a worldwide game dedicated to GPS (Global Positioning System) users, called **Geocaching**. The game involves a GPS user hiding a "treasure" (this container and its contents), and publishing the exact coordinates so other GPS users can come on a "treasure hunt" to find it.

The only rule is you must write about your visit on this log sheet.

**If You Found This Container by Accident:**

Great! You are welcome to join us! We ask only that you:  
- Please do not move or vandalize the container. The real treasure is just finding the container and sharing your thoughts with others who find it.  
- Don't forget to sign this log sheet.

If possible, let us know that you found it, by visiting the website listed below. Geocaching is open to everyone with a GPS and a sense of adventure. There are thousands of sites all over the world. Visit the website if you want to learn more, or have any comments:
